

How the pilot *works*.

01

Your signature dishes, *in 3D*

02

A QR on *every table*

Your menu opens on the guest's phone. No app.

03

Guests see it, *staff take the order*

No online ordering. Your team stays in charge.

04

You see what *guests looked at*

Dish opens, table views, and the lists shown to your waiters.
